SATORI "Always Celebrating Music"

SATORI's mission is to foster growth in chamber music appreciation through a regular series of public performances, special projects, and educational programs; to present chamber music in an accessible fashion, maintaining a high standard of musical excellence; and to explore traditional and contemporary chamber music repertoires.

SATORI, a professional chamber music ensemble based in Pennsylvania's Lehigh Valley and performing regularly throughout the eastern United States, is pleased to announce its exciting 2012-2013 season.

Upon formation of its Board of Directors, the musician-managed chamber ensemble began in 1996. **SATORI's** core musicians have performed together for many years, and are frequently joined by additional talented performers and guest artists.

SATORI's schedule regularly includes appearances at area colleges, museums, and music festivals. In-school educational programming, multidisciplinary performance projects, and concert series at area senior residences and hospitals are all part of **SATORI's** community out-reach and many partnerships.

SATORI is a mixed ensemble of winds, strings, and piano, whose repertoire ranges from baroque to 21st century selections, often intertwined within a single performance. **SATORI's** name is taken from a Zen term suggesting the coming together of separate parts to form a whole - a perfect metaphor for chamber music.

Inspiring!
