SATORI's mission is to foster growth in chamber music appreciation through a regular series of public performances, special projects, and educational programs; to present chamber music in an accessible fashion, maintaining a high standard of musical excellence; and to explore traditional and contemporary chamber music repertoires.

SATORI
Electrifying & Bold

SATORI is a professional chamber music ensemble of winds, strings, and piano, whose repertoire ranges from baroque to 21st century selections, often intertwined within a single performance. **SATORI**'s name is taken from a Zen term suggesting the coming together of separate parts to form a whole - a perfect metaphor for chamber music.

Upon formation of its Board of Directors, the musician-managed chamber ensemble, based in Pennsylvania's Lehigh Valley, began in 1996. **SATORI**'s core musicians have performed together for many years, and are frequently joined by additional guest artists.

SATORI's schedule regularly includes appearances at area colleges, museums, and music festivals. In-school educational programming, multidisciplinary performance projects, and concert series at area senior residences and hospitals are all part of **SATORI**'s community outreach and many partnerships.

A copy of the official registration and financial information may be obtained from the Pennsylvania Dept of State by calling toll free within PA 1-800-732-0999.
